Welcome to an amazing property with so many options. Perhaps you simply want to own your own home with no condo fees. Or you may be looking for a revenue property or a home with the potential for a mortgage helper. Pending municipal approval, you may choose to put a legal/illegal suite in the lower level. A separate entrance to the basement could be configured from the front entryway/landing. This home is bright, cheery and incredibly spacious. The upstairs open floor plan flows naturally between kitchen, living room and dining room where tons of natural light flood this space. Also on this floor, the large primary bedroom has a private deck (off the ground level for security), accompanied by 2 other bedrooms and a 4 pc. bath. The lower level boasts a massive family room, new 3 pc. bath, another bedroom, laundry and all the storage you could imagine. Other features include updated flooring, a newer roof, a new 3 piece bath, & all Poly B plumbing removed.
