No Condo fees! This fully finished townhouse is move-in ready and budget-friendly, making it ideal for a first-time buyer. It's been extensively renovated, all new kitchen with stainless steel appliances, updated flooring, modern bathrooms, and fresh lighting throughout. The main floor offers a bright large living room, kitchen, and dining area. Upstairs, you'll find three bedrooms and a renovated 3/4 bathroom. The finished basement adds extra space with a family room (or potential fourth bedroom) and a full bathroom. Additional upgrades include a new hot water tank (2022). Enjoy outdoor living with a fully fenced yard, patio, and plenty of rear parking. The durable sloped tin roof is a rare upgrade compared to the typical flat tar-and-gravel roofs in the area.
